

# Qualified Signature Revocation

To revoke a qualified certificate, please submit a revocation request as follows:

Create a PDF with the following information

- First name, last name, birthdate, nationality, country, ID document and number that was used for identification
- Reason for the revocation request
- Contact information to reach the requesting person and verify the information (Mobile, e-mail)

Please digitally sign this form with a QES, and send this signed document to [support@trust-services.io](mailto:support@trust-services.io) (note: it can only be processed if digitally signed with a QES).

Last name, First name

Company name, User name

ID document, ID document number

Birthdate, Nationality, Country
